

SKIN TO BONE

LINKIN PARK

Skin to Bone Steel to Rust
Ash to Ashes Dust to Dust
Let tomorrow have it's way
With the Promises we made
Skin to Bone Steel to RustAsh to Ashes Dust to Dust
Your deception My disgust
When your name is finally drawn
I'll be happy that you're gone
Ash to Ashes Dust to DustAsh to Ashes Dust to Dust
Skin to Bone and Steel to RustRight to Left Left to Right
Night to Day and Day to Night
As the starlight fades to grey
I'll be marching far away
Right to Left and Left to RightAsh to Ashes Dust to Dust
Skin to Bone and Steel to RustLet tomorrow have it's way
With the promises betrayed
Skin to Bone and Steel to Rust
Skin to Bone and Steel to Rust
Skin to Bone and Steel to Rust
