Kitty Box

Lil' Kim

Yeah, honey girl, Queen Bee
Lil' Kim, 7, you ready? Good
'Cause 7's my lucky number
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
My kitty box, my kitty box, my kitty box, my kitty box
I'm goin to Miami, stylin', whylin'
Shinin' in diamonds, they're sizin' me up
My bikini, Gabbana, heels, Prada
You know, I like it sexy
Boys holla when they pass me, call me and harass me
They love me 'cause I'm nasty but classy
If you're ballin', put your bid in, you broke, forget it
You're just another doll chasin' the Kim
I'm in heat like a cat, I'm in heat like a cat
If you want it, then you better come and get it
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
My kitty box, my kitty box, my kitty box, my kitty box
Picture Lil' Kim masturbatin' in a drop
Picture Lil' Kim tan and topless on a yacht
Picture Lil' Kim suckin' on you like some candy
Picture Lil' Kim in your shirt and no panties
Shirt and no panties
Picture Lil' Kim in the pool skinnydippin'
Picture Lil' Kim in the 69 position
Picture Lil' Kim dancin' on a stripper pole
Picture Lil' Kim in a Playboy centerfold
Playboy centerfold, Playboy centerfold
Playboy centerfold, Playboy centerfold
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
My kitty box, my kitty box, my kitty box, my kitty box

Lil' Kim's got that potion, my box'll have you open
I'll drown you when I'm wet like the ocean
You crave it, you want it, you want it, jump up on it
So you can play in my box 'til the morning
I'll let you play in my box until the morning
You can play in my box until the morning
I'm in heat like a cat, I'm in heat like a cat
If you want it, then you better come and get it
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
Wanna lick, get a taste of the dip in my kitty box
Wanna play for a day, daddy, in my kitty box
My kitty box, my kitty box, my kitty box, my kitty box
