

If a Tree Falls

Bruce Cockburn

Rain forest
Mist and mystery
Teeming green
Green brain facing labotomy
Climate control centre for the world
Ancient cord of coexistence
Hacked by parasitic greedhead scam
From Sarawak to Amazonas
Costa Rica to mangy B.C. hills
Cortege rhythm of falling timber. What kind of currency grows in these new deserts,
These brand new flood plains? If a tree falls in the forest does anybody hear?
If a tree falls in the forest does anybody hear?
Anybody hear the forest fall? Cut and move on
Cut and move on
Take out trees
Take out wildlife at a rate of species every single day
Take out people who've lived with this for 100,000 years
Inject a billion burgers worth of beef
Grain eaters, methane dispensers. Through thinning ozone,
Waves fall on wrinkled earth
Gravity, light, ancient refuse of stars,
Speak of a drowning
But this, this is something other.
Busy monster eats dark holes in the spirit world
Where wild things have to go
To disappear
Forever If a tree falls in the forest does anybody hear?
If a tree falls in the forest does anybody hear?
Anybody hear the forest fall? If a tree falls in the forest does anybody hear?
If a tree falls in the forest does anybody hear?
Anybody hear the forest fall? (If a tree falls in the forest)
(If a tree falls in the forest)
