## Oasis

There's no need for you to say you're sorry  
Goodbye I'm going home  
I don't care no more so don't you worry  
Goodbye I'm going home I hate the way that even though you  
Know you're wrong you say you're right  
I hate the books you read and all your friends  
Your music's shitty it keeps me up all night, up all night There's no need for you to say you're sorry  
Goodbye I'm going home  
I don't care no more so don't you worry  
Goodbye I'm going home I hate the way that you are so sarcastic  
And you're not very bright  
You think that everything you've done's fantastic  
Your music's shitty it keeps me up all night, up all night And it will be nice to be alone  
For a week or two  
But I know that I will be  
Right back here with you There's no need for you to say you're sorry  
Goodbye I'm going home  
I don't care no more so don't you worry  
Goodbye I'm going home
