Let There Be

AD/DA

Darkness hovering
Grasping everything it sees
Void empty
Absent life and absent dream
Let there be
Let there be
Angels toil and crack open scrolls of ancient dreams
Countless worlds of his
Brilliant stars and breath and stream

Let there be
Let there be
Let there be
Let there be
Let there be
Let there be
Let there be light
Let there be light
Where there is darkness
Let there be light
Where there is nothing
Let there be light.
