

As Time Goes By

Tony Bennett

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things applyAs time goes by
And when two lovers woo
They still say, "I love you."
On this you can relyNo matter what the future brings
As time goes by
*Moonlight and love songs
Never out of dateHearts full of passion
Jealousy and hate
Woman needs man
And man must have his mateOn this you can deny
It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by[Repeat]
