

Who Is This Babe

The Judds

Who is this baby?
Where did he come from?
He's the son of a carpenter
The chosen oneHe's the hope of the angels
A gift of His love
Just a child in a manger
God's only sonHallelujah, hallelujah
Hallelujah, hallelujahShepherds were watching
Out under the sky
When the star over Bethlehem
Lit up the nightHe's the light in the darkness
A gift from above
He is filled with the spirit
Of Gods holy loveHallelujah, hallelujah
Hallelujah, hallelujahAngels sing
Worship our King
