

# Next Year Baby

Jamie Cullum

Next year  
Things are gonna change  
Gonna drink less beer  
And start all over againGonna read more books  
Gonna keep up with the news  
Gonna learn how to cook  
And spend less money on shoesGonna pay my bills on time  
File my mail away, everyday  
Only drink the finest wine  
And call my gran every SundayWell resolutions  
Well baby they come and go  
Will I do any of these things?  
The answer's probably noBut if there's one thing, I must do  
Despite my greatest fears  
I'm gonna say to you  
How I've felt all of these yearsNext year  
Next yearI'm gonna tell you how I feel  
I'm gonna tell you how I feelWell, resolutions  
Baby they come and go  
Will I do any of these things?  
The answer's probably noBut if there's one thing, I must do  
Despite my greatest fears  
I'm gonna say to you  
How I've felt all of these yearsNext year  
Next year  
Next year
