Terrorvision

U.D.O.

Your living room is just a cage
For you to play into their game
They teach you fear - they teach you shame
They make you want - they make you hate
Love is our salvation
It can make you see
Just make your own opinion
Terrorvision - it's apathy
Don't want your vision chained to me
Terrorvision - hear me plea
It's my decision to be free
They'll put an image in your mind
They'll make it stay there all the time
They push your buttons pull your strings
And you won't know its happening
Love is our salvation

It can make you see
Just make your own opinion
Terrorvision - it's apathy
Don't want your vision chained to me
Terrorvision - hear my plea
It's my decision to be free
They'll make you crazy, bend the truth
They'll suck your soul right out of you
One day you wake up cold as hell
And you won't even know yourself
Terrorvision - it's apathy
Don't want your vision chained to me
Terrorvision - hear me plea
It's my decision to be free
