Rock In the Sea

Shocking Blue

I wish I was a bird in the sky
I wish I was a bird in the sky
Like a bird in the sky
I'd be safe, high and dryI wish I was a bird in the sky
I wish I was a bird in the sky
I wish I was a mole in the ground
I wish I was a mole in the ground
Like a mole in the groundI'd throw this mountain down
I wish I was a mole in the ground
I wish I was a mole in the groundI'm so glad
I don't want furs and rings
Only the beauty of nature
Matters to me, yeahI wish I was a rock in the sea
I wish I was a rock in the sea
Like a rock in the sea
Nothing could budge meI wish I was a rock in the sea
I wish I was a rock in the sea
I wish I was a rock in the sea
I wish I was a rock in the sea
