Wide Awake

Audioslave

You can look a hurricane right in the eye
1200 people dead or left to die
Follow the leaders, we're in an eye for an eye, we'll all be blind
Death for murder, this I'm sure in this uncertain time
So come and pull the sheet over my eyes
So I can sleep tonight despite what I've seen today
I find you guilty of a crime of sleeping at a time
When you should have been wide awake
Down on the road the world is floating by
The poor and undefended left behind
While you're somewhere trading lives for oil
As if the whole world were blind, hey
So come and pull the sheet over my eyes
So I can sleep tonight despite what I've seen today
I find you guilty of a crime of sleeping at a time
When you should have been wide awake
Come, pull the sheet over my eyes
So I can sleep tonight despite what I've seen today
I find you guilty of a crime of sleeping at a time
When you should have been wide awake
Wide awake, wide awake, wide awake, wide awake
