

# Wide Awake

## [Audioslave](#)

You can look a hurricane right in the eye  
1200 people dead or left to die  
Follow the leaders, we're in an eye for an eye, we'll all be blind  
Death for murder, this I'm sure in this uncertain time  
So come and pull the sheet over my eyes  
So I can sleep tonight despite what I've seen today  
I find you guilty of a crime of sleeping at a time  
When you should have been wide awake  
Down on the road the world is floating by  
The poor and undefended left behind  
While you're somewhere trading lives for oil  
As if the whole world were blind, hey  
So come and pull the sheet over my eyes  
So I can sleep tonight despite what I've seen today  
I find you guilty of a crime of sleeping at a time  
When you should have been wide awake  
Come, pull the sheet over my eyes  
So I can sleep tonight despite what I've seen today  
I find you guilty of a crime of sleeping at a time  
When you should have been wide awake  
Wide awake, wide awake, wide awake, wide awake
