

The Hardest Day (con The Corrs)

Alejandro Sanz

Me Ire (The Hardest Day)
One more day, one last look
Before I leave it all behind
And play the role that's meant for us
That said we'd say goodbye
cuentame otra vez
si no es el mismo el sol de ayer el que se esconde hoy
para ti para mi para nadie mas se a inventado el mal
If I promise to believe will you believe
That there's nowhere that we'd rather be
Nowhere describes where we are
I've no choice, I love you leave,
Love you wave goodbye
And all I ever wanted was to stay
And nothing in this world's gonna change, change
Never want to wake up from this night
Never want to leave this moment
Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour
Leaving you, the hardest day of my life
The hardest day of my life
Ruegame que te clase unda
envuelto en un atardecer de vida
para ti para mi para nadie mas se a inventado el mal
But I never will regret a single day
why ninguno sabia muy bien que hacer
What I'm feeling for you
aquella noche noche
I will always love you leave,
Love you wave goodbye
ieieiei este, and all I ever wanted was to stay
maldito atardecer
Nothing in this world's gonna change...
Never want to wake up from this night
Never want to leave this moment
Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour
I never knew I'd ever feel this way
I feel for you...
Never want to wake up, I feel for you, from this night
Never want to leave this moment
Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour
Leaving you, the hardest day of my life...

Never want to wake up from this night...
