Run

Shawn Desman

I'd be down and on my knees
Searching endlessly
If I didn't have you
I'd be torn and incomplete
Shouting in the streets
If I didn't have you

I would run for you to the edge of the world
Just to tell you that you're the most beautiful girl
I would run for you (run for you)
I would run for you (run for you)
Oh oh oh oh

And I'd stay up through the nights
Wishing you were by my side
If I didn't have you
I'd be putting up a fight
With the last ounce of my life
If I didn't have you

I would run for you to the edge of the world
Just to tell you that you're the most beautiful girl
I would run for you (run for you)
I would run for you (run for you)
Oh oh oh oh

When you smile you can light the darkest place
And every time we touch you steal my heart away
Every time, every time, every time

I would run for you to the edge of the world (edge of the world)
Just to tell you that you're the most beautiful girl (beautiful girl)
I would run for you (run for you)
I would run for you (run for you)

And I would for you 'til my very last breath
Just to tell you you're the one I don't wanna forget
I would run for you (run for you)
I would run for you (run for you)
Oh oh oh oh
