

# No Beer Today Polka

## The O'Neill Brothers Group

I was riding down the road on a Sunday afternoon - All I had left was a dollar  
I stopped into a bar just to have a little drink - then I heard the bartender holler

No beer today No beer today you can't buy beer on Sunday

No beer today No beer today you gotta come back on Monday

No beer today No beer today you can't buy beer on Sunday

No beer today No beer today you gotta come back on Monday

(instrumental)
