Showroom

Milburn

Watch out
He's always up to something
'Cause he's so devious
And he's so cynicalAnd it makes me laugh
He's trying so hard to pretend
Acting oh, so original
When he's simply following the trendsThe book that you reading is upside down
The book that you reading is upside down
The book that you reading is upside down
The book that you reading is upside downHe's always saying that he's oh so right
And won't admit when he's wrong
But if I get him on his own tonight
I'm gonna find it hard 'cause we don't quite get alongToo much
Sitting in the window
Sipping up your coffee
And advertising yourselfAnd it makes me laugh
He's trying so hard to deceive
Acting cool and cocky
When there's clearly something up your sleeveThe book that you reading is upside down
The book that you reading is upside down
The book that you reading is upside down
The book that you reading is upside downHe's always saying that he's oh, so right
And won't admit when he's wrong
But if I get him on his own tonight
I'm gonna find it hard 'cause we don't quite get alongOh, it's such a treacherous thing
Little boy laugh and the little boys sing
No when they come a calling
You can't can't help falling over
No, you can't help falling downIt's evidential that you've not been taught
Oh, you just can't see
That respect is always earned not bought
So we all bow down to this weeks class clown
At the showroom
Yeah, at the showroom
