Coming Back For More

Jon Randall

My buddies say don't do it
There's no way I can win
They've seen you put me through it
Time and time againDoes it make you happy, baby
To make me so sad?
How can a woman look so good
Make a man feel so badI just keep on comin' back for more
It's so wrong, I know what I'm in for
Every time I say I'm walkin' away
I crawl back to your door
Comin' back for moreDon't you know you hurt me?
The way you do your dance
When you start to work me
I don't stand a chance'Cause you got all the power, babe
You like to throw it around
You turn me every which way but loose
And then you turn me downAnd I keep on comin' back for more
It's so wrong, I know what I'm in for
Every time I say I'm walkin' away
I crawl back to your door
Comin' back for moreEvery time I say I'm walkin' away
I crawl back to your door
Comin' back, comin' back for more
Oh baby, comin' back for more
I keep comin' back for moreKeep on comin' back for more
Keep on comin' back for more
Keep on comin' back for more
Keep on comin' back for more
