

# You're Getting To Be A Habit With Me

[Elaine Stritch](#)

I don't know exactly how it started,  
but it started in fun.

I just wanted someone to be gay with,  
to play with, someone...

Now I realize that I can never let you go  
and I'm here to tell you so. Every kiss, every hug seems to act just like a drug.  
You're getting to be a habit with me.

Let me stay in your arms. I'm addicted to your charms.  
You're getting to be a habit with me. I used to think that love was something that I could take  
or leave alone,

but now I just can't do without my supply.

I need you for my own. I just can't break away.

I must have you every day

as regularly as coffee or tea. You've got me in your clutch and I can't get free.

You're getting to be habit with me.... Getting to be a habit with me.... Habit with me. I used to think that love was  
something that I could take  
or leave alone,

but now I just can't do without my supply.

I need you for my own. I just can't break away.

I must have you every day

as regularly as coffee or tea. You've got me in your clutches and I can't get free.

You're getting to be a habit with me, can't break it.

Getting to be a habit with me, we gotta make it. Getting to be a habit with....
