Chasing

Bad Veins

A while ago, you broke my heart.
I smiled it shows, see the scars?
Remind me how
I felt before I do nowI feel my hand through my bedroom wall
I heal I can't fix walls at all
I've learned to fade and be remade.I'm not gonna go chasing you around.
I'm not gonna waste any of my time
I'm not gonna go standing in a line.
I'm not a fool just waiting for another chance
To make you mine.
I'm not gonna go chasing you around
and around and around.
I try to move but just stand still.
I'd die to prove I ever will.
These walls could use a window with a view.I'd burn to touch, but to what end.
I've learned so much, but still pretend.
I could run all day just chasing my failures away.
I'm not gonna go chasing you around.
I'm not gonna waste any of my time
I'm not gonna go standing in a line.
I'm not a fool just waiting for another chance
To make you mine.
I'm not gonna go chasing you around
and around and around.
