[DJ Clue:] R&B Shit, 3LW, WHAAT!!!

[3LW]Can I talk 2 you, cuz I wanna ride with you, ooh, can I roll wit
you, maybe we can take a minute or two, just to kick it for a few, what
you wanna do, tell me what you wanna do, I really wanna Know you
[Adrienne]Watchin you how you move on the dance floor, oooh ooh,
somethin about the way you do, what you do, got me wantin to see
more of you, the smile on your face, can we hook up after we leave this
place, wassup for the night boo, can I talk 2 you, oooh

[3LW]Can I talk 2 you, cuz I wanna ride with you, ooh, can I roll wit
you, maybe we can take a minute or two, just to kick it for a few, what
you wanna do, tell me what you wanna do, I really wanna Know you
[Kiely]I don't normally push like this, But I'm feelin what I'm seeing, and

I can't resist it, something drawing me more, into you
(Adrienne) you don't, want to figure it, I see it in your eyes, you can't
deny it, I really wanna know can I talk 2 u, oooh oh

[3LW]Can I talk 2 you, cuz I wanna ride with you, ooh, can I roll wit
you, maybe we can take a minute or two, just to kick it for a few, what
you wanna do, tell me what you wanna do, I really wanna Know you
[Kiely]Maybe it's the, way you move that thang, maybe it's your smile
that's drivin' me insane, I didn't mean to offend you, I'm just interested
in you, Kinda wanna get 2 know u, can I talk 2 u, I really wanna know you
[Music solo][3LW]Can I talk 2 you, cuz I wanna ride with you, ooh, can I roll wit
you, maybe we can take a minute or two, just to kick it for a few, what
you wanna do, tell me what you wanna do, I really wanna Know you
[Repeat til end]
