Love And Memories

O.A.R.

Lovely, you're always lovely
A vision, you were the one
Now I am stuck inside a memory
You forgot about our destiny
You buried me, didn't you?Didn't you love me faster than the devil
Run me straight into the ground
Drownin' deep inside your water
Drownin' deep inside your soundYou're always floating
A vapor that I couldn't see
Here I am stuck inside a yesterday
Everything has given way
You fell from me, didn't you?Didn't you love me faster than the devil
Run me straight into the ground
Drownin' deep inside your water
Drownin' deep inside your soundLove me faster than the devil
Run me straight into the ground
Drownin' deep inside your water
Drown in love and memoriesMaybe I am a crowded mind
I watch your eyes glaze over
Stare down at the floor
You were amazing to me
I was amazing to you
But here we go againDidn't you love me faster than the devil
Run me straight into the ground
Drownin' deep inside your water
Drownin' deep inside your soundLove me faster than the devil
Run me straight into the ground
Drownin' deep inside your water
Drownin' deep inside your soundLove me faster than the devil
Run me straight into the ground
Drownin' deep inside your water
Drown in love and memories
