

I'll Never Smile Again

[Billie Holiday](#)

I'll never smile again
Until I smile at you
I'll never laugh again
What good would it do For tears would fill my eyes
My heart would realize
That our romance is true I'll never love again
I'm so in love with you
I'll never thrill again
To somebody new Within my heart
I know I will never start
To smile again
Until I smile at you Within my heart
I know I will never start
To smile again
Until I smile at you
