Girls Can Too

Play

Girls can too, yeahNever give up, never give up, never give up
That's what my mama told me
Taking that chance, taking that chance, taking that chance
Would be the right thing for me
Now I, I've the feeling that I got what it takes for me to be strongEveryday, everyday, everyday
Feel like I'm number one and
Every way, every way, every way
I'm looking out for fun and
Now I, I get the feeling that it's time to find out just where I belongI just love trying the things that are new
Now I know what I want to do
So I'm gonna keep on trying
To make my dreams come true, yeahThe room is jumping, we'll dance until the dawn
Come with me, there's a party going on
The place is rocking, it's only just begun
I know the place to go and we're gonna have some fun'Cause anything that boys do
Don't you know that girls can too? Girls can tooMaybe it's time, maybe it's time, maybe it's time
For me to take control and
Maybe I know, maybe I know, maybe I know
It's time to take a hold and
Now I, I get the feeling that totally I believe in myselfSo now I know what I've got to do
I'm not that little girl, you once knew
So I'm gonna keep on trying
To make my dreams come true, yeahThe room is jumping, we'll dance until the dawn
Come with me, there's a party going on
The place is rocking, it's only just begun
I know the place to go and we're gonna have some fun'Cause anything that boys do
Don't you know that girls can too? Girls can too, yeah, yeahNever give up
Never give up
Never give up
Yeah, yeahSo now I know what I've got to do
I'm not that little girl, you once knew
So I'm gonna keep on trying
To make my dreams come true, yeahThe room is jumping, we'll dance until the dawn
Come with me, there's a party going on
The place is rocking, it's only just begun
I know the place to go and we're gonna have some fun'Cause anything that boys do
Don't you know that girls can too?The room is jumping, we'll dance until the dawn
Come with me, there's a party going on
The place is rocking, it's only just begun

I know the place to go and we're gonna have some fun'Cause anything that boys do
Don't you know that girls can?
'Cause anything that boys do
Don't you know that girls can too?
