Advisory - the following lyrics contain explicit language:

I was born I was born I was born from wisdom in chains I was bathed in thunder and lightning Fire hell, brimstone and rain Riding out the seasons of pain I am born time and again I'm the wind and rain in your face I was raised by anger in flames Hell, you say that is my name I have drunk the blood of the dread Out to put an end to their game Feeding on an angel's remains Dead, I say that is their name I am the wind and rain in your face Living on the seasons of pain Riding out the death of an age Hell, you say that is my name Riding out the seasons of pain Hell, you say that is my name Riding out the seasons of pain Hell, you say that is my name Riding out the seasons of pain Hell, you say that is my name Riding out the seasons of pain Hell, you say that is my name Riding out the seasons of pain Hell, you say that is my name Riding out the seasons of pain Hell, you say that is my name Riding out the seasons of pain Hell, you say that is my name

Riding out the seasons of pain
Hell, you say that is my name
That is my name
Hell, you say that is my name
That is my name
Hell, you say that is my name
