Face Dances Part Two

Pete Townshend

I watch you sit and twitching
With a match between your teeth
You seem to have a knack of moving it
It's in time to the beatFace dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlightI can't be distracted
By the stuttering of the kids
I just sit enraptured
By your fluttering eye lidsFace dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlightI can only stare
You make me feel
Like I don't careI can only stare
You make me feel
Like I don't careI can only stare
You make me feel
Like I don't careYour eyes explain a story
That never had a start
Your brow reveals the glory
That's hidden in your heartFace dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlightYour skin is fine china
White as winter snows
Your lips are always shining
Turning up your noseFace dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlightI can only stare
You make me feel
Like I don't care
