Coolhead

Kelly Osbourne

I'll keep a cool head
'Bout all the things that you said
I've lost my innocence
I'll keep a cool headI'm not here for you amusement
But I think one thing is clear
I see you with that bitch
When you know you should a been here with meI'll keep a cool head
'Bout all the things that you said
I've lost my innocence
I'll keep a cool headYou've got a reputation
For being a ladies man
I've got determination
For thoroughly kicking your ass my friendIt's not cool
'Cause I hate all the things that you doI'll keep a cool head
'Bout all the things that you said
I've lost my innocence
I'll keep a cool headNo matter what you say to make me stay
I will make you pay
No matter what my gut tells me to say
I'm playing the game
I'm gonna pop
No matter what you say to make me stay
You're gonna payI'll keep a cool head
'Bout all the things that you said
I've lost my innocence
I'll keep a cool headI'll keep a cool head
I'm gonna make you beg
And all the promises
I'll keep a cool head
Yeah yeah I'll keep a cool head
