Creatures of Influence

Information Society

I'll tell you a story
It happened long ago
Please keep it between you and meSee, she was a slow one
he had to let it go
this is what it means to be freeI hear you asking
'hey what's this all about?
what's it got to do with me?see, i'm opening the cages
to let the creatures out
the creatures that influence meShe gets up in the morning
the tv's on the wall
says she has to hurry homeSometimes it hits her
she's not anyone at all
people are always aloneHe thinks about her
the little games
As if she would hear what they knowHe thinks about her
the little games
she has to let it all goHe gets up in the morning
the tv's on the wall
He says he has to hurry homeSometimes it hits him
He's not anyone at all
People are always aloneShe thinks about him
the little games
As if he would hear what they knowShe thinks about him
the little games
she has to let it all goLet Me
Let Me Go
Let Me
Let Me GoThink before you go
Think before you go
