

Cot Damn (Feat. Ab-Liva & Roscoe P Coldchain)

Clipse

Cot' damn! It's a new day!
Cot' damn! But the nigga wanted money!
Hou! Hou! Hou!
Cot' damn! Uh, they just can't understand or fathom my demeanor
Unapproachable appearance to how I pack the ninas
Out of two, Clipse they say Malice the meanest
Got love for guns and caine, let nothin' come between us
You mistook me for a rapper, huh
Well that makes me an actor, cause I would rather clap a gun
And buck on them niggas who hate
Who wanna be in my shoes, live my life, but can't carry my weight
I understand that the envy is part of the game
But make no mistake, you and I, we are not the same
Naw, bitch, I'm liable to splatter ya shit
Light up ya world, 'til you start to stagger and shit
Watch how them hollows straight rattle ya shit
And I leave it to y'all, to freestyle and battle and shit
That's not me, I'm more at home wit the chrome
Or at play wit the yay, moving 12 for a zone, I'm gone
Cot' damn! It's a new day!
Cot' damn! But the nigga wanted money!
Hou! Hou! Hou!
Cot' damn! God damn, when that white hits the pan and
Comes back hard, I can account for every gram and
The streets molded the man I am
The pimp, the hustler, the crook, the killer, go-rilla
Traits of a blow dealer, cost my fame
I hustle, I'm rich, blow scrilla
I'm the torch that, carry the game
The flame I throw, crack change came from blow
Push the O's, six lay close
Hug the streets, I hug the beat, change flows
Thug the streets, my love is deep, my pain shows
My hearts on a sleeve-a
Nigga that they gave they soul and hearts to mistreat you
Nigga told, they breaking my heart on the streets so
Watch the phonies, watch ya homies
We pop-pop, DROP you homey
Cot' damn! It's a new day!
Cot' damn! But the nigga wanted money!
Hou! Hou! Hou!

Cot' damn! They call me Pusha for one reason
 Cause I keep that sniff all seasons
 Whether the price is up or down
 I keep a mound to pitch from, you don't have to shop around
 When it come to that money, I get stealth
 Three guns is fortune, and I don't mind sharing my wealth
 Dog, I know about my life
 I been around the world thrice times, I mean what I say
 From that Panama sun, to France's Champs-Élysées
 Grind so deep-rooted, I can't turn away
 To sell base is now somewhat therapeutic
 Hear what I say, please don't confuse it
 My verses heal, like Curt Mayfield's music
 (I'm your pusha!), damn right
 I treat ya nose to hook ya
 And only pull back to cook ya, partner Cot' damn! It's a new day!
 Cot' damn! But the nigga wanted money!
 Hou! Hou! Hou!
 Cot' damn! I be damned if I die of starvation, things is fucked up as is
 So I bangs my cabbage; do you not know the most effective
 Way of gettin' money, pull yo gun, rapidly
 And watch you see the situation be corrected
 Lord Heavens, why must I live so devilish
 They say whatcha do comes back on you two times
 I shoulda been died, but I'm still walking around wit two nines
 Who wants to be a millionaire, me, and you ain't got no more life lines
 You a snitch nigga fighting crime, go ahead and tell the police
 Cause every move you make, I'mma throw a slug
 And hope you choke blood, nigga, on every breath you take
 Not to be broke, cause Coldchain fate witness
 Naturally spitting from me, human gat, field to the limit
 Head to diminish, loud niggas talking gibberish
 Grind beef, I deliver it, with complimentary service, for certain
 Live in the living room, searching to hurting you Cot' damn! It's a new day!
 Cot' damn! But the nigga wanted money!
 Hou! Hou! Hou!
 Cot' damn!
