

Gloria

Manhattan Transfer

Gloria
Gloria
It's not Marie
Gloria
It's not Cherie
Gloria
But she's not in love with me Can't you see
It's not Marie
Gloria
It's not Cherie
Gloria
But she's not in love with me And maybe
She'll want me
But who am I to know
And maybe
She'll want me
But who am I to know, oh, oh Gloria
It's not Marie
Gloria
It's not Cherie
Gloria
But she's not in love with me But I love you Gloria
And I want you to be my baby
And every night when I go to bed alone
I always dream of you
And I don't dream of Marie
And I don't dream of Cherie
I always dream of Gloria
