Your Eyes

DON CAMPAU

I can't, I can't stand the time that it takes you just to dress,
My plans, my plans always come second to all your requests,
And every frustration,
Is stretching me so thin,
But, oh, your eyes,
Are making it all worthwhile,
Anytime we fight,
That's no use, I'm captured by the view in your eyes,
I don't, I don't care to see the movies that you always put me through,
I won't, I won't say it, but I'm petrified to sit shotgun with you,
And every frustration,
Is stretching me so thin,
But, oh, your eyes,
Are making it all worthwhile,
Anytime we fight,
That's no use, I'm captured by the view in your eyes,
And you have settled under my skin,

Made a home where the both of us reside,
As long as that is where you're resting,
I will always wake to find,
Oh, your eyes,
Are making it all worthwhile,
Anytime we fight,
That's no use, I'm captured by the view in your eyes,
Oh, your eyes,
Are making it all worthwhile,
And anytime we fight,
That's no use, I'm captured by the view,
That's no use, I'm captured by the view,
That's no use, I'm captured by the view in your eyes, yeah,
The view in your eyes,
There ain't nothing like your eyes, yeah,
Oh, the view in your eyes,
Baby, the view in your eyes,
There ain't nothing like your eyes,
The view in your eyes,
Ooh, yeah, yeah,
There ain't nothing like your eyes.
