

Bleed For Me

Saliva

All I ever wanted was to be at your service
But now I'm alone cause you were here and you're gone
And all I ever wanted was to feel I had a purpose
But now that's all gone
But if you could give me Just one love, just one life
Just once chance to believe in my..
Just one love, just one life You bleed for me and I didn't get to notice you
Now I'm stuck out on a line
Bleed for me, I didn't get to be with you
Now you're stuck in my mind All I ever wanted was to be what you needed
Cause something so strong, it could never be wrong
And all I can promise, is to say what I'm feeling
We've made it so long
But if you could give me Just one love, just one life
Just once chance to believe in my..
Just one love, just one life You bleed for me and I didn't get to notice you
Now I'm stuck out on a line
Bleed for me, I didn't get to be with you
Now you're stuck in my mind Just one love in my life You bleed for me and I didn't get to notice you
Now I'm stuck out on a line
Bleed for me, I didn't get to be with you
Now you're stuck in my mind Just one love in my life
Just one love in my life
