

# Put It In

## Kelly Rowland

Let's get lost in this space, oh love  
But they can't find us for days, so what?  
You got a sweet scent ooh hm sure 'nuff  
It's so good, gotta tell me shut up  
I'm no good when it comes to your touch And I can't even help you babe  
And I don't want you to ever stop  
Stop the way that your loving me  
Baby you've got my heart  
With everything that's inside of me  
Give you more than just part of me  
You know they don't got my heart  
Only for you  
Baby, it's all yours  
You can put your name on it  
Only for you  
What you waiting for  
You can put your name on it  
Only for you  
Baby it's all yours, you can put your name  
Only for you, baby you got my heart (Ima put my name on it) Let's get carried away  
No rush  
Just when you think it's the end, it ain't over  
Just wanna stay in your arms, helpless  
It's so good, gotta tell me shut up  
I'm no good when it comes to your touch Ooh Ooh, only for you  
You baby it's all yours  
You can put your name on it  
Only for you  
You, what you waiting for  
You can put your name on it  
Only for you  
Baby it's all yours, you can put your name  
Only for you, baby you got my heart (Ima put my name on it) Come and get it babe, get this thang  
It got your name on it  
Come put your name on it  
Yes it got your name on it  
Any time, any place  
You just gotta say you want it  
Come put your name on it (Ima put my name on it) yes it got your name on it

Come and get it babe, get this thing  
It got your name on it  
Come put your name on it  
Yes it got your name on it  
Any time, any place  
You just gotta say you want it  
Come put your name on it  
Yes it got your name on it (Only for you)Baby, it's all yours  
You can put your name on it  
Only for you  
What you waiting for  
You can put your name on it  
Only for you  
Baby it's all yours  
You can put your name on it  
Only for you baby you got my heart  
Only for youBaby, it's all yours  
You can put your name on it  
Only for you  
What you waiting for  
You can put your name on it  
Only for you (baby it's only for you)  
Baby it's all yours  
You can put your name on it  
Only for you baby you got my heart (Ima put my name on it)
