

# Hello Walls (Re-Recorded)

**Faron Young**

Hello walls (Hello hello)  
How things go for you today  
Don't you miss her  
Since she upped and walked away  
And I'll bet you dread to spend another lonely night with me  
But lonely walls I'll keep you companyHello window (Hello hello)  
Well I see that you're still here  
Aren't you lonely  
Since our darling disappeared  
Well look here is that a teardrop in the corner of your pane  
Now don't you try to tell me that it's rainShe went away and left us all alone the way she planned  
Guess we'll have to learn to get along without her if we canHello ceiling (Hello hello)  
I'm gonna stare at you a while  
You know I can't sleep  
So won't you bear with me a while  
We've gotta all stick together or else I'll lose my mind  
I've got a feeling she'll be gone a long long time (Hello hello)
