Cry Myself To Sleep

Jessie James

I've tried so hard, you know I can't do more
It's the turn of the card, it's the close of the door
The lies you told, you know they hurt so deep
So I'll go home and cry myself to sleep
And day after day, you've been treating me bad
Friends come up and say, "Why do you take all that?"
'Cause it's making me moan and it's making me weep
So I'll go home and cry myself to sleep
You play at love like a child plays games
One day I'm in then I'm out again
You change the rules and I just can't win
You've broken me now so I give in, yeah, yeah

I've been through worse but I don't know what
Oh, I gave to you, everything that I got
So take this heart or what's left to keep
And I'll go home and cry myself to sleep
So I'll go home and cry myself to sleep
Cry myself to sleep
Cry myself to sleep
Cry myself to sleep
Cry myself to sleep
Cry myself to sleep
Cry myself to sleep
