Act Like a Man

Neil Diamond

[Chorus]
Song-maker
You heart-breaker
You figure
Better stop it while you can
You know you're just a worthless daydreamer
But hey dreamer
It's time to act like a manSong writin'
It's just a little bit frightenin'
Like playin' with lightening
I'm not complainin' now you understand
You get to sing and dance all day
Like children play
But it's time to act like a manBein' a man means responsible
You hear it wherever you go
Nothing is ever impossible
Something inside tells me so
And I know
What I know.Say lover
Better discover
Some other way to turn your head around again
And really don't you wait now
It's gettin' late now
It's time to act like a manBein' a man means responsible
You hear it wherever you go
Nothing is ever impossible
Something inside tells me so
And I know what I know[Chorus]You've got to act like a man.
Why don't you grow up and act like a man?
