

Loveless Rolling Stone

Aubrie Sellers

i don't like it much
but i'm addicted
to your easy touch
and your everlastin smile
it's too bad the keys are swingin off
the steerin wheel tonight
yeah it's too bad
that i had to say goodbyethey say once you leave
ya can't go back
they say livin on the run
is a one way track
they say
you can dream in vain
but you just might die alone
and they say home is where the heart is
and if that's so
i must be a loveless rolling stone
i still taste the sweetness of your kiss
like honeysuckle on a spring time vine
it's true that you still have me
the road reminds me all the time
that once
i even called you minethey say once you leave
ya can't go back
they say livin on the run
is a one way track
they say
you can dream in vain
but you just might die alone
and they say home is where the heart is
and if that's so
i must be a loveless rolling stone
just barely tumblin
before too long
you know i'm bound to bust
keep movin on
i'll keep crumblin
til this stone turns to dustonce you leave
ya can't go back

they say livin on the run
is a one way track
they say
you can dream in vain
but you just might die alone
and they say home is where the heart is
and if that's so
i must be a loveless rolling stone
