

Every Breath (Instrumental)

Boyce Avenue

It sounds like this is nothing new and that it hasn't been for a while
You wake up on the other side and you strain to force a smile
The fairytale inside your head has become your new best friend
But I can assure you, that I'll be there before the story ends
When I needed a place to hang my heart
You were there to wear it from the start
And with every breath of me, you'll be the only light I see
I'm racing to the finish line of a lifetime that's barely started
The piece of mind I left behind, I pray you keep in your perfect garden
You waited on a minute hand in the countdown to last for days
But I'm here to tell you, it won't be long before I'm here to stay
'Cause when I needed a place to hang my heart
You were there to wear it from the start
And with every breath of me, you'll be the only light I see
The weightlessness and the lack of rest
Away from you, I'm in over my head
Even when it's dark before the dawn
I will feel your grace and carry on
And with every breath of me, you'll be the only light I see
When I needed a place to hang my heart
You were there to wear it from the start
And with every breath of me, you'll be the only light I see
Even when it's dark before the dawn
I will feel your grace and carry on
And with every breath of me, you'll be the only light I see
The only light I see
