

Beautiful (Hex Remix)

Taylor Dayne

Oh oh oh ah
What I say what I say
Uh uh, yeah
Oh oh oh ah I just live for your love
The warmth of your embrace
I can't get enough
Baby now I gotta need for your touch,
So much
I look into your eyes
I feel hypnotized, baby by you Darlin' you're beautiful
You give what you got
And you got a lot, baby you do
Darling it's true cause
You makin' me so hot
I don't wanna stop
It's not a fairytale the things you say
The things that you do [Chorus]
Baby you're beautiful
So give me what you got
Cause you got a lot, baby you do
Darling you're beautiful
So give me all you got
Don't you ever stop
Uh, yeah I just work for your love
This hold that's over me
There's no better drug
So baby I can't find the right words
To explain
What it feels like to be me
When you say my name Baby I do what I have to because
You takin' me so high that I kiss the sky
Baby it's true, darling I knew cause
You give me butterflies
Make me wanna cry feels so high can't describe
This feelin' inside [Chorus] I can't explain the way I feel
You are the answer to my dreams
My every love inside
I see that I was blind

There's nothin' but blue blue skies[Chorus: x3]
