

Walk Away If You Want To

The Domino Kings

Pardon my complaining dear but I spend all my time
Bending over backwards just to keep you satisfied
Now you've got the nerve to say I don't compromise
And if I don't shape up you're gonna walk out of my life
Walk away if you want to and I won't beg you to stay
Do what you gotta do and I won't stand in your way
But I've done the best I can to make you want me just the way that I want you
And I want you
Walk away if you want to I don't think you understand the way you torture me
Trying to make me something I don't know how to be
You think I'll beg forgiveness as you're walking out the door
Well I hate to see you leave but I won't do this anymore
