

# Into The Blue

## Moby

All alone, I open my eyesWild ride, hold your fire  
I'm not about to die, keep back  
Let in some air, I dare lie down  
To stare at the skyI am wide open, reaching forever  
I fly into the blue  
I am wide open, reaching forever  
I fly into the blueFlat mark, high tide  
Frantic to stay afloat, stay calm  
Let in some air I dare lie down  
To stare at the skyI am wide open, reaching forever  
I fly into the blue  
I am wide open, reaching forever  
I fly into the blueFrom above, I am so small  
So fast, I move, I move  
The light, the light  
Here comes the tideI am wide open, reaching forever  
I fly into the blue  
I am wide open, reaching forever  
I fly into the blueWith water surrounding me  
I fly [Incomprehensible] into the blueI am wide open, reaching forever  
I fly into the blue  
I am wide open, reaching forever  
I fly into the blueI am wide open, reaching forever  
I fly into the blue  
I am wide open, reaching forever  
I fly into the blueI am wide open, reaching forever
