

Strangers Now

The Slow Show

Who's calling
Who's calling
Who's breaking your heart tonight? Who's calling
Who's calling
Who's breaking your heart tonight? Who are we now?
Who are we now?
Are we now two strangers now?
Two strangers, two strangers now?
Who's breaking up, who's getting down
Who's getting old, who's checking out
Who's breaking your heart tonight?
Who's breaking up, who's getting out,
Who's giving up, who's checking out,
Who's breaking your heart tonight?
Two strangers now.
Two strangers now. Who are we now?
Who are we now?
Who are we, are we now, are we, now
Who are we now, are now
Who are we, are we, are we now
Who are we now?
Are we now, are we are we are we now
Who are we now, are we now
Are we are we are we now
Hold on to your lives,
Hold on to your lives,
Hold on, hold on, hold on tight
Hold on to your lives,
Hold on to your lives,
Hold on, hold on, hold on tight.
