Could This Be Love (mick G Mix)

Jennifer Lopez

Ooh, Ooh,
Love makes no promises,
If you only knew,
What I've been going through,
Waiting and wanting you,
Could this be love,
How, tell me how will I know,

Will my heart make me believe it so,
Or can I trust the way I feel,
If you could read my mind,
You see how hard I've tried,
Still I can't decide,

Chorus:
If you only knew,
What I've been going through,
Waiting and wanting you,
Could this be love,
Oh, tell me could this be love,

Do you know if it's true,
That real love lasts a life time,
Does it shine like the stars up in the sky,
And do you know if you can fall for,
Just a moment,
Is a moment for all time,

Why, why am I so unsure,
Is that love knocking at my door,
Or the sound of my beating heart,
If you coud read my mind,
You know I just can't hide,
What I feel inside,

(CHORUS)

Could this be love,
Could this be love,
I wanna know,

If you only knew.
