

# For the Turnstiles

Neil Young

All the sailors with their seasick mamas  
Hear the sirens on the shore  
Singin' songs for pimps with tailors  
Who charge ten dollars at the door You can really learn a lot that way  
It will change you in the middle of the day  
Though your confidence may be shattered  
It doesn't matter All the great explorers  
Are now in granite laid  
Under white sheets for the great unveiling  
At the big parade You can really learn a lot that way  
It will change you in the middle of the day  
Though your confidence may be shattered  
It doesn't matter
