

# Just Friends

Gavin DeGraw

I saw you there last night  
Standing in the dark  
You were acting so in love  
With your hand upon his heart  
But you were just friends  
At least that's what you said Now I know better from his fingers in your hair  
I'll forgive for what you've done  
If you say that I'm the one  
I've had other options too  
But all I want is you Girl, your body fits me like a glove  
Ands you shower me with words of love  
While you were just friends  
At least that's what you said Now I know better from his fingers in your hair  
I'll forgive you for what you've don't  
If you say that I'm the one It's not my style to lay it on the line  
But you don't leave me with a choice this time  
Why weren't you true?  
You know I trusted you  
When you were just friends  
At least that's what you said Now I know better from his fingers in your hair  
I'll forgive you for what you've done  
If you say that I'm the one  
You were just friends  
At least that's what you said Not I know better from his fingers in your hair  
I'll forgive you for what you've done  
If you say that I'm the one  
I'll forgive you for what you've done  
If you say that I'm the one  
I'll forgive you for what you've done  
If you say that I'm the one  
I'll forgive you
