

I Don't Hurt Anymore

[Hank Snow](#)

It don't hurt anymore, all my teardrops are dried
No more walkin' the floor, with that burnin' inside
Just to think it could be, time has opened the door
And at last I am free, I don't hurt anymore
No use to deny I wanted to die, the day you said we were through
But now that I find you're out of my mind, I can't believe that it's true
I've forgotten somehow that I cared so before
And it's wonderful now, I don't hurt anymore
No use to deny I wanted to die, the day you said we were through
But now that I find you're out of my mind, I can't believe that it's true
I've forgotten somehow that I cared so before
And it's wonderful now, I don't hurt anymore
