

Miracle

Milk Inc.

I can't, I can't believe what I'm feeling.
Am I dreaming?
Are you some kind of thief?
'Cause you're stealing, stealing my heart away.

All my life, all I wanted was you.
And all my life, all I needed was you

And I don't need a miracle, a miracle
And I don't need a miracle, a miracle.
Just you.

And I don't need a miracle, a miracle
And I don't need a miracle, a miracle.
Just you.

I can't, I can't denie what I'm feeling.
Am I dreaming?
Are you some kind of spy?
'Cause you're stealing, stealing my heart away.

All my life, all I wanted was you.
And all my life, all I needed was you

And I don't need a miracle,
And I don't need a miracle, a miracle.
Just you

You don't have to show a magic trick,
or walk across the sea.
You don't have to cure the blind, the sick.
Just be with me.
