Broken Memories

Same Difference

You've been crying, why you hiding?
It's best to talk it out
No need to keep it inside
I may not be perfect company
But I've seen this case before
Believe me I know the scoreAlways Knew it would end up like this
Carried away by the taste of his kiss
He was mine but he played away
My Dignity told me that I shouldn't stay
Broken memories
It won't be blue skies til the heartache is over
Broken memories
They come and they go as I try to remember the years of the tears
And the hurt that he gave
So my need dissapears
Gotta set them free
Broken memoriesHe told me that he loved me
That there would be no other lover
I know that there was anotherI know I'm a hypocrite giving advice
Though you're better off with him out of your life
Makes me mad cos i know his game
You need to know that you can't take the blame
Broken memories
It won't be blue skies til the heartache is over
broken memories
They come and they go as I try to remember the years of the tears
And the hurt that he gave
So my need dissapears
Gotta set them free
Broken memoriesIt's still hurting, still hurting, still hurting, yeah
I know it's hurting
but your stronger than you know
he's not worth it, not worth it, not worth it, Yeah
i can't describe what i feel inside he's not in my lifeBroken memories
i look for blue skies but my heartache's not over
broken memories
They come and they go as I try to remember the years of the tears
And the hurt that he gave
So my need dissapears

Gotta set them free
Broken memoriesBroken memories
it won't be blue skies til the heartache is over
broken memories
They come and they go as I try to remember the years of the tears
And the hurt that he gave
So my need dissapears
Gotta set them free
