

# Painted Red

## Crossbreed

You're red, you're so resistant  
You're so intense, you're red  
I'm slowly lifted, you're painted red I'm down in, I'm down in, I'm down inside  
I'm down in, I'm down in, I'm down inside  
I'll come in, I'll come in, I'll come inside  
Swallow my kiss, when I save you You're red and I'm inside your innocence  
You're painted red now  
I'm inside
