## Drake ft. Lil' Wayne

(Drake intro)  
Yea  
It's Drizzy baby  
You already know what it is  
It's the first time I'm high  
It's the first time I've smoked in like 3 months  
I'm sorry mamma I had to do it to 'em  
Forty I see you  
Oh I see you homie  
I stay late tonight right?  
You know what happen when I stay late, heh  
Yea  
Boi-1da  
I swear it's like this every single time  
Toronto I got you  
I got us  
Yea  
(Drake [Lil' Wayne] verse 1)  
I'm a hard guy to get along wit'  
Get on a song wit'  
When shit be going right  
Well I just flip it to the wrong shit  
The team that I belong to  
The artists I put on wit'  
Don't ever ask for nothin' 'cause them niggaz got they own shit  
Me 'n Weezy like a mouthful of hot peppers  
Black Ferrari with the red seats  
I call it Playin' Checkers  
I'm never doing verses  
I'm forever giving lectures  
If you're tryna meet with money  
I'd be happy to connect ya  
Life is, better than it's ever been  
Scheduling million dollar meetings with the president  
Someone cut the lights on  
Where is Thomas Edison?  
Got a new condo watch me as I settle in  
I deserve a MTV show for me and my people  
And if you tryna zone I got a whole Swisha Sweet full

Rappers are liars and they women are deceitful  
Adding till they subtract me I never be a equal  
Last place Drizzy is the nigga in the lead now  
Weezy told me just write every single thing you need down  
Then he got it for me and I'm happy as can be now  
'Bout to start ballin' like I'm coming offa rebound  
Yea  
And I should have the most braggin' rights  
Because a nigga spit crack, bag it tight  
Hate when rappers say they tryna get they swagger right  
'Cause I done came wit mo' fire than a dragon fight  
Fuck you pussy ass hater you should do you  
You ain't heard of me then you should go and get a Blue's Clue  
[Oops I mean a red clue  
Wayne's here, su woo]  
Bet he felt that like the end of a pool cue  
But I ain't bangin' I ain't wavin' no flag  
I'm ATF but they ain't seein' no badge  
It's Heartbreak Drake I hate to see 'em so sad  
I could son you, see a little me in yo' dad  
I'm the same yellow boy that used to play up on Degrassi  
Can pocket twenty thousand to be anywhere they ask me  
"Cash" like Johnny, "Banks" like Ashley  
Burning like a Camel like  
Stupid hoe ash me  
But don't ask me shit about me  
And know the game really ain't shit without me

She might have to pay me but I dick her down free  
Wanna know if it's the truth then pull the zipper down and see  
No homo dogg  
(Lil' Wayne verse 2)  
Yea  
Ummm  
I'm goin' in  
Drizzy I got us  
This is my promise  
I'ma bring that barrel to them bitches eye liners  
And what I make up would fuck up your skin  
I pick the buck up and buck buck then buck buck again  
I will butt fuck your friend then suck up her twin  
I put the buck up to him then buck buck and buck buck and buck buck Again  
Suck nut you duck fuck your unlovin' kin  
Now don't rub it in  
Like Lubriderm on a new tattoo I had to

Kick my princess up out my castle dad who  
    Never had that dude  
    Always had a black tool  
Even when I was at school 'cuz bullies aren't bulletproof  
    Red scarf hoodie too  
    Probably ain't as hood as you  
Stupid motherfucker the only thing in the hood is you  
I do everything good as you no I do everything better  
    I get paid for every letter ABC etcetera  
    Fetch a bone, like a dog motherfucker  
    I am gone for you neck in a sec. intercept  
Bring it back like work in the trunk and my exit comin' up yup  
    Ya I am headed for the buck like  
    Buck buck again might fly to L.A. and just fuck Karrine  
    Nah I fucked Karrine let's get bucks again  
And fuckin' spend them bucks and then just fuck Karrine  
    If I told you I'ma do it I did it  
    Got my city on my fitted  
    'Bout to pop out let's get it  
    Let's get it motherfucker what you waitin' on  
It is about a minute past pissed and I'm 'bout to get shitted  
    I'm wit' it if money is the it you want me with  
And I'll probably just spit on the chick you won't be with  
    And I hate a bony bitch only like 'em only thick  
    And I own hip hop if you don't spit I'm gon' evict  
    And I just sold a lot of property to a buyer  
And I think his name was kinda like Drake Drizzy Rogers or  
    Drizzy Drake Rogers I'm too busy to play father  
And when it comes to the game I'm to willing to play harder  
    So harder I go, there he go  
They chant MVP when I shoot a free-throw, CEO  
    Jazz' what it do?  
The haters on their face and their ass is the shoe  
    Faster than you  
    Badder than you  
    Radder than you, et cetera  
I told you I get paid by the letter like  
    ABCDEFGHIJKLMNOPQRSTUVWXYZ  
    ZZ Top, yes he rocks  
And me and Drizzy both wrote on Detox  
    That was just a foot note  
    How long can he could go?  
    Wonderin' when he stop?  
    Bitch when the beat stop  
    So I'ma keep rockin'

Till the sheet rock bend  
And the heat I send  
Burn skin  
THE END  
Young Moula baby, un huh
