

Under The Gun

Kiss

Lookin' for a thrill, you'll get it my way
Let's hit the highway, I'll take you down
Shoot out in the night, lookin' for action
The main attraction is back in town Press the pedal to the metal
On your mark, set, go Under the gun, do your livin' on the trigger
Under the gun, walk on the wire
Under the gun, when the stakes are gettin' bigger
Under the gun, take aim and fire I don't need a reason to get crazy
I'm gettin' crazy and that's enough
Show me somethin' strange, I'll make it stranger
I swear that danger runs in my blood Press the pedal to the metal
On your mark, set, go
When the dust begins to settle
Everybody's gonna know Under the gun, do your livin' on the trigger
Under the gun, walk on the wire
Under the gun, when the stakes are gettin' bigger
Under the gun, take aim and fire Fire
Fire
Fire Well there's no speed limit where I'm comin' from
Let's hit the highway doin' sixty nine Press the pedal to the metal
On your mark, set, go
When the dust begins to settle
Everybody's gonna know Under the gun, do your livin' on the trigger
Under the gun, walk on the wire
Under the gun, when the stakes are gettin' bigger
Under the gun jus' take aim and fire Under the gun, under the gun
Under the gun, under the gun
Come on boys
I can't hear you
Fire
